

"THY WILL BE DONE ON EARTH"

G S M NEWS JUNE 2009

I greet you in the name of our Lord Jesus Christ!!!

We thank you for your prayers and are so grateful to all of you for your financial support to make this ministry possible to be effective in the plan of god. The evangelists are reaching people with the love and with the message of salvation at in their homes, and village prayer centers. Salvation and healing are flowing, for example one family from a village called Kundimakulagunta, wife and husband and three of their daughters who are belonging to a tribal community are coming forward for Baptism. Through the evangelism by GSM evangelists, many are getting released from the bondage of Satan, sin and sickness and would be able to enjoy their life joyfully. Give Glory to our Lord, who is touching many unreached people through GSM evangelical work.
